Masters Thesis

- Title *Logics of Formal Inconsistency and Nonmonotonicity*
- Supervisor Professor Walter Carnielli
- Abstract This thesis intended to justify the importance of a non-monotonic paraconsistent logic based on Logics of Formal Inconsistency from an intuitive analysis of concepts and notions involved in such formal systems, also considering possible approaches from the so called Adaptive Logics of Inconsistency and Modulated Logics.

Participation in Events

- 2014 **EBL 2014 - 17th Brazilian Logic Conference**, Petrópolis - Brazil.
Title of Oral Presentation: "Consistency and Nonmonotonicity"
- 2014 **EBL 2014 - 17th Brazilian Logic Conference**, Petrópolis - Brazil.
