02.07.: Catarina Dutilh Novaes (Groningen/MCMP).

09.07.: Steve Awodey (Carnegie Mellon/MCMP).

Additionally, I thought it would be nice to meet also on a Saturday and to do some logic:

24.05.: Holger Andreas (MCMP).

Norbert Gratzl (MCMP), Albert Anglberger (MCMP), and Olivier Roy (MCMP/Bayreuth).

### **General remarks:**

- Please do read the preparatory articles before we discuss them (obviously).
- You can find all articles as well as an updated schedule in a folder in Barbara Pöhlmann's office on the second floor of Ludwigstr. 31.
- In order to get credit for the seminar, please write a seminar paper (15 pages or more) on a topic that is related to the lectures mentioned above. The deadline for handing in the papers is 19.09.2014.
