

Gil Sagi

Ludwig-Maximilians-Universität München
Fakultät für Philosophie, Wissenschaftstheorie und
Religionswissenschaft
Munich Center for Mathematical Philosophy
Geschwister-Scholl-Platz 1
D-80539 München
Germany

Email: gilisagi@gmail.com

Areas of Specialization

Logic, Philosophy of Logic, Philosophy of Language

Areas of Competence

Philosophy of Mathematics, History of Analytic Philosophy

Academic Employment

Assistant Professor, Munich Center for Mathematical Philosophy, LMU, Spring 2015.

Postdoctoral Research Fellow, Munich Center for Mathematical Philosophy, LMU, 2013–2015.

Teaching Assistant, Hebrew University, 2005–2008, 2011.

Research Assistant, Hebrew University, 2002, 2005, 2006, 2009.

Math Tutor, Hebrew University, 2003–2005.

Education

Ph.D. Philosophy, Hebrew University of Jerusalem, 2013.
Supervisors: Prof. Oron Shagrir and Prof. Stewart Shapiro
Dissertation title: *Logical Consequence: Between Formal and Natural Language*

M.A. Philosophy, Hebrew University of Jerusalem, 2008 (*magna cum laude*).
Supervisor: Prof. Oron Shagrir
Thesis title: *Models and Logical Consequence*

B.Sc. Mathematics and Philosophy, Hebrew University of Jerusalem, 2004 (*magna cum laude*).

Visiting Appointments

Buenos Aires Logic Group, SADAFA, March–April 2014.

Foundations of Logical Consequence Project, Arché, University of St Andrews, September–December 2009, September–December 2011, June 2012.

The Munich Center for Mathematical Philosophy, LMU, April 2012.

Philosophy Department, Ohio State University, September–November 2010.

Academic Honors and Awards

Yael Cohen memorial prize for excellency in philosophical research, The Hebrew University, 2013 (\$1,000).

Polonsky Fellowship for outstanding Ph.D. students in the Humanities, 2009-2013 (\$80,000 plus tuition).

Hebrew University Fellowship for outstanding M.A. students in the Humanities, 2004-2006 (c. 40,000 NIS plus tuition).

S. Riviere, J. Ur and F. Kaufman memorial prizes for excellence in philosophical studies, 2004 (1,500 NIS).

Hebrew University Scholarship for outstanding B.Sc. students, 2001 (c. 10,000 NIS).

Jerusalem Scholarship, 2001 (5,000 NIS).

Publications

(Accepted) The Modal and Epistemic Arguments Against Invariance Criteria for Logical Terms (*Journal of Philosophy*).

(2014). Formality in Logic: From Logical Terms to Semantic Constraints, *Logique et Analyse*, 227: 259-276.

(2014). Models and Logical Consequence, *Journal of Philosophical Logic*, 43: 943-964.

(2011). Sher and Shapiro on Logical Terms, M. Peliš and V. Punčochář (eds): *The Logica Yearbook 2010*, College Publications, London.

Work in Progress

Contextualism, Relativism and the Liar, *submitted*.

Logicality and Meaning, *submitted*.

Extensionality and Logicality, *in preparation*.

Analyticity and Logicality, *in preparation*.

Talks and Presentations

What is a Fixed Term? Frankfurt Logic and Semantics Group, January 2015.

What is a Fixed Term? Invited talk for the Young Epistemology and Logic Workshop in Graz, November 2014.

What is a Fixed Term? Harvard Logic Seminar, September 2014.

What is a Fixed Term? Invited talk for the ERE 2014 Workshop (part of ECAP8), Bucharest, September 2014.

Formality in Logic: From Logical Terms to Semantic Constraints, Models in Formal Semantics and Pragmatics ESSLLI Workshop, Tübingen, August 2014.

Contextualism, Relativism and the Liar, Philosophy Department at the University of Konstanz, June 2014.

Extensionality and Logicality, Third Reasoning Club Conference, Kent, June 2014.

Extensionality and Logicality, Logica Symposium, Hejnice, Czech Republic, June 2014.

Formality in Logic: From Logical Terms to Semantic Constraints, Logic Grammar and Meaning Conference, The University of East Anglia, June 2014.

Contextualism, Relativism and the Liar, Third Workshop on Philosophy of Logic, Munich - Buenos Aires Logic Group, April 2014.

What is a Fixed Term? Buenos Aires Logic Group, SADAF, April 2014.

Formality in Logic: From Logical Terms to Semantic Constraints, Buenos Aires Logic Group, SADAF, March 2014.

Contextualism, Relativism and the Liar, *The Munich Center for Mathematical Philosophy*, LMU, January 2014.

What is a Fixed Term? Invited talk for Meanings: Models and Proofs, a joint Munich - St Andrews workshop, October 2013.

Logical Consequence: Between Formal and Natural Language (3 lectures), *Chevruta Program*, Hebrew University, July 2012.

Formality in Logic: From Logical Terms to Semantic Constraints, FLC Conference, University of St Andrews, June 2012.

Formality in Logic: From Logical Terms to Semantic Constraints, *The Munich Center for Mathematical Philosophy*, LMU, April 2012.

Formality in Logic: From Logical Terms to Semantic Constraints, Seminar of the project *Foundations of Logical Consequence*, Arché, University of St Andrews, November 2011.

Optimism in Mathematics, Honors Program Graduate Conference, Hebrew University, May 2011.

Models and Logical Consequence, The Annual Conference of the Israeli Philosophy Association, February 2011.

Models and Logical Consequence, Logica Symposium, Hejnice, Czech Republic, June 2010.

Models and Logical Consequence, FLC Conference, University of St Andrews, June 2010.

Models and Logical Consequence, Seminar of the project *Foundations of Logical Consequence*, Arché, University of St Andrews, November 2009.

Teaching

Logic II, LMU Munich, planned course for Summer 2015 (lecturer).

Philosophy of Logic, LMU Munich, planned course for Summer 2015 (lecturer).

Analytic Truth, LMU Munich, Winter 2014 (lecturer).

Philosophical Logic, Hebrew University, 2011 (teaching assistant).

Introduction to Logic, Hebrew University, 2005-2008 (tutor).

Organization of Research and Study Groups

Homotopy Type Theory, The Munich Center for Mathematical Philosophy, LMU, 2013-2014.

Topics in Philosophy, Logic and Language (12 meetings): A research group supported by the Hebrew University (4,000 NIS), 2012.

Logic in Metaphysics and Metaphysics in Logic (12 meetings): A research group supported by the Hebrew University (9,000 NIS), 2011.

Other

Reviewer for *Ergo, Erkenntnis, Logique et Analyse, Mind* and *Synthese*.

Initiator and organizer of the first graduate conference in general analytic philosophy at the Hebrew University of Jerusalem, 2012.

Creator and teacher of a course on basic logic, The National Institute for Testing and Evaluation, Israel, 2009.

Other Work Experience

Psychometrician, The National Institute for Testing and Evaluation, Israel, 2006-2009.
